## PROFILE

Detail-oriented investigator with 20+ years of experience conducting sensitive investigations, structured interviews, and comprehensive report writing within law-enforcement and behavioral-health settings. Proven ability to collect, verify, and reconcile information from multiple sources; identify inconsistencies; and present clear, defensible findings in policy-driven environments. Recognized for discretion, accuracy, ethical judgment, and strong electronic documentation skills.

## WORK EXPERIENCE

**Family Intervention Specialist** 2025 - PRESENT  
*Youth Villages- Intercept Program*

- Conduct ongoing assessments through interviews, collateral contacts, and record review to evaluate risk and safety.
- Interview youth, caregivers, and partner agencies, including reluctant participants, using structured methods.
- Reconcile information from multiple sources to identify inconsistencies and relevant findings.
- Prepare timely, objective electronic documentation meeting confidentiality and audit standards.
- Coordinate with courts, law enforcement, DHS, probation, and schools to support informed decisions.

**Critical Incident Stress Debriefment Facilitator** 2025 - PRESENT  
*All One Health*

- Lead individual and group debriefings following critical incidents; gather and document participant statements and observations.
- Assess acute stress reactions, document findings, and ensure appropriate referrals.
- Maintain accurate, confidential records consistent with professional and regulatory standards.

**Special Victims Unit Detective & Officer** 2017 - 2020  
*Unified Police Department*

- Conducted investigations into child abuse, sexual assault, and crimes involving vulnerable populations.
- Performed forensic interviews; reviewed records and evidence for consistency and credibility.
- Prepared comprehensive investigative reports used by prosecutors and courts; provided courtroom testimony.
- Collaborated with prosecutors, clinicians, and multidisciplinary teams to ensure legal compliance.
- Trained officers in interviewing, crisis response, and documentation standards.
